

# Cumulus 4 Sustainability Working Group

Sara Hylten-Cavallius and Robin Turner

## **CUMULUS GREEN 2020: For a New Circular Economy- an international student competition for all our members!**

<https://www.cumulusassociation.org/call-for-entries-cumulus-green-2020-for-a-new-circular-economy/>

The Working Group for Sustainability is therefor focusing on Circular Economy in our sessions in Rovaniemi. We will start with a lecture by Joacim Rosenlund, Linnaeus University Sweden, an expert of Circular Economy (CE).

What is Circular Economy and how can it be used in education to develop understanding for sustainability? We will test a tool for Circular Economy (that we are developing for governance and business) and discuss how to implement CE!

WELCOME!
