

# Fashion and Textile Working Group

May 31, 2019, 13.30–15.00

**Theme:** Fashion and Textiles as Communication

The theme of Fashion and Textile Working Group meeting at Cumulus Rovaniemi will focus on the power of fashion and textiles in communication. We expect to have a thought-provoking conversation on how fashion and textiles, in a highly intentional and performative manner, may convey non-verbal messages and facilitate interaction between people.
